

Portrait Homes

Customer Service Representative

We are currently looking for a Customer Service Representative. The successful applicant must have a good understanding of new home construction and be a “jack of all trades”. Responsibilities would include completion of finishing details and warranty service in homes in an organized, timely and professional manner. You must be personable and comfortable dealing with clients and providing the occasional pre-occupancy walkthrough with clients and realtors.

Please forward your resume along with your salary expectations to service@portraithomes.ca
