Portrait Homes has received an additional honor of being named as one of the finalists for the prestigious 2008 Customer Choice Award, which recognizes superior achievement in providing and maintaining the highest levels of initial and ongoing homeowner satisfaction.

As the previous winner of this award in 2007, Portrait Homes acknowledges the significance of this recognition and knows that it is a direct reflection of the customer focused efforts of each of its team members.

“This is the most important award to all of us at Portrait Homes,” says Rob Grimm, principle of Portrait Homes, “because we recognize that we achieve this level of service because of the collective efforts of our team as a whole and, most importantly, because of the direct feedback of our home owners.”

“It reinforces that our efforts to take care of our clients are being very well received.”
